D.O. Cava

Varieties:
Pinot Noir

ES-ECO-019-CT
AGRICULTURA UE

Alcoholic strength: 11,5 %vol.
Total tartaric acidity: 5,8 g/L
Residual sugars: 2,2 g/L
Aging: at least 12 month.

Vineyard features:

The Heretat Vall-Ventós property has **52 hectares** located between the Ordal mountain ranges and the Montserrat mountains. This location is clearly inclined to west, what allows the fields to benefit from the morning and midday sun. The vineyard rows have been planted following the imaginary lines that unite the Montserrat mountains with the Ordal mountain ranges. This distribution lets the sea winds get through the vineyard rows improving the vine health.

Elaboration: Traditional method, second fermentation in bottle. 12 months of minimum aging.

Tasting notes:

Pale pink color cava. Intense aroma of red fruits where strawberry and raspberry stand out, with a very subtle floral background. It presents a fine and sustained bubble, accompanied by a fresh entry that gradually gains volume as it passes through the mouth, ending in a good balance between acidity and sweetness.
